Footballers Honored At Annual Banquet

Don Bolton Is 1942 Captain.—Hugh Norman Voted by Team As Most Valuable Player

Barium Springs climaxed their most remarkable year in athletics, at their annual banquet Friday night, December 5th. Conference championship in boys' basketball and football, a state co-championship in wrestling, the tournament champion of 125-pound boys' basketball teams, the runner-up in eighth grade girls' basketball, and a summer championship in softball, were all garnered by the remarkable group of athletes that are at Barium this year.

The banquet was a celebration of the football season and its most important championship. Seventeen seniors were awarded letters and four Juniors. These four will form the nucleus of next year's team. Donald Bolton will captain the 1942 football team. Hugh Norman, the captain of this year's team, was voted the most valuable member of the team. Lacy Beshears was voted the best blocker, Bolton the best tackler. Ed Cole, a graduate of Barium and a member of its most famous 100-pound team, delivered the letters to the 85-pound players, whose names are as follows: Dallas Ammons, Malcolm Rogers, George Landrum, Rufus Clark, Dwight Spencer, Jack Jones, Billy Everett, Earl Adams, Grady Mundy, Jerry Young, Herman Smith, Charles Barrett, Jack Clark.

The 100-pound letters were presented by Arthur Roach, last year's captain and this year's co-captain of the Davidson Fresh. These letters were to the following: Scott Blue, Roscoe Smith, Earl Allen, Ed Blake, Earl Adams, Eugene Dunn, Horace Denton, Herman Blue, Wilbur Coates, Howard Clark, Stanley Smith, John Ammons, Bennett Baldwin, Billy Everett, Thad Stevens and Fred Cole.

The 125-pound letters were presented by Frank Purdy, a member of the famous 125-pound team that was acclaimed the national champions. The letters were awarded as follows: Bobby Whittle, Jack Weeks, Richard Shoaf,

Bulletin!

By Friday, December 12th, when this copy of The Messenger went to press, the Thanksgiving Offering received at Barium Springs totaled $31,035.85, with 278 churches or mission points having completed their reports. Many were partially completed, but until offering had arrived from the sources reporting in 1940, the church's 1941 gift was not marked complete.

Exactly 200 of the 278 churches - a fraction less than 72 per cent - had given as much, or more, than in 1940, with 62 churches having contributed their best Thanksgiving Offerings in 17 years. These "best" reports included seven churches or mission points sending their first Thanksgiving Offerings, which meant a listing in that category.

It looked to officials on December 12th as if the Thanksgiving final total would be greater than in 1940, this prediction being made even though six of the larger churches indicated a combined decrease of $2,200.00.

The 1941 Champions of the South Piedmont Conference

Above are pictured 23 members of the 1941 varsity squad, 17 of whom will graduate next spring and which will leave the Barium coaches with the problem of building another machine for 1942. Squad members follow: First row, Paul Burney, back; Tom McCall, tackle; Pleas Norman, end; Ben Lewis, guard; Hervey Stricklin, back; Jack Weeks, back. Second row, Billy McCall, guard; Jack McCall, end; David Burney, guard; William Billings, back; Dick Parrish, center; Ernest Stricklin, guard; George Lewis, end; Joe Ben Gibbs, back. Third row, Mott Price, back; Ed Williamson, back; Donald Bolton, tackle; Lacy Beshears, guard; Gwyn Fletcher, back; William Wadsworth, end; Capt. Hugh Norman, end; Grover Ingram, end; Billy Lindsay, tackle.

First Thanksgiving Reports Mentioned

Presbytery	November Receipts	Thanksgiving	Am't Rec'd Per Mem.	Total Per Mem. for Year
Winston-Salem	$335.59	$1,986.06	43 c	75.7c
Mecklenburg	656.48	3,855.83	24.3c	55.5c
Concord	469.62	1,976.09	19 c	45 c
Kings Mountain	342.01	287.25	10.1c	39.9c

Granville	209.29	37.45	3.6c	23.1c
Fayetteville	171.80	285.04	3.3c	20.9c
Synod	$3,491.58	$10,981.59	15.9c	40 c

Because Thanksgiving day was one week earlier than usual in 1941, it means that considerably more of the Thanksgiving Offering had been received at Barium Springs through November, '41, than had arrived through that month of 1940. In fact, $8,093.98 more had been received. The total in hand on November 29th was $11,217.59, whereas only $3,123.61 had been received here through November 30, 1940. This month's tabulation of the receipts therefore is a double column affair and includes some Thanksgiving Offering from every Presbytery in the Synod.

There is no possible way of making an accurate comparison with last year, though, because of the difference of one week in the two Thanksgiving seasons. However, it can be pointed out that the majority of the early completed reports have been for Offerings as large, or greater, than those of 1940. Whether this was to be the trend throughout remains to be seen. Oftentimes, those churches having excellent reports are anxious to get them to Barium Springs as soon as possible; those arriving late are sometimes below normal and are delayed by the treasurers in the hope that more will come in to shorten the gap

Alumni Association Elected New Officers

Grand Home-Coming Here In November.—It Did Not Rain, And That Is News

One-time residents of the Presbyterian Orphan Home returned to the campus at Barium Springs on Friday, November 21st, for their second home-coming of 1941 since a summer-time affair was staged in August.

Most of the day was spent in visiting old habitats, with only a brief meeting of the Alumni association for the election of officers and a few routine business matters. This was the first home-coming in several years when it did not rain.

T. G. McConnell of Newton, was named president for a two-year term; Reid Brown of Burlington was selected as vice-president. and Miss Lucille Burney of Barium Springs, was continued in her secretary-treasurer office for another two years. Lafayette Donaldson of Statesville, vice-president, presided over the session in the absence of C. C. Carriker of Winston-

Review of the 1941 Football Season

Barium has just completed its most exciting football season and for the first time has won the championship of the South Piedmont Conference. Once before Barium tied for this honor and several times has come within a game of it, but this time the honor was clear-cut, having played the toughest teams in the conference, with six wins, no losses and no tied games with conference members.

In addition to this Barium played three Class-A teams, winning two of the games, tying one. We played the champions of the Western Conference and one other team in the Western Conference, making eleven games all together. Now for a brief summary of each game:

The season opened on September 19th at home with Morganton, champion of the Western Conference, as the opposition. Morganton had gone through its 1940 season undefeated, except for the one game it lost to Barium. We expected trouble this year, as they had one

News from Some of the Cottages at Barium

CANNON COTTAGE

Hello Folks,

This is another report on how the boys in Cannon building are getting along.

Every month we are called on for some news from our building, and every time we try to tell something new. But this time we may mix something old with the new, so don't think this is last month's Messenger.

We have written our Christmas letters and are planning for a big Christmas. There are fifteen boys in our building, namely: John Ammons, Howard Clark, Esau Davis, Billy Everette, Raymond Good, Amos Hardy, John Hawley, Charles Hooten, Charles Smith, Buford Robinson, Douglas Ryder, Billy McCall, Jack McCall, Tom McCall and Hugh Norman, who will enjoy Christmas in the Cannon Building.

We have one boy in our building who has a hobby of catching rabbits in rabbit hollows. His name is Tom McCall. He gets up before dawn and tracks down his rabbits, then before school makes them ready for cooking.

All but three of our members received football letters at our banquet, December 5. Our four larger boys, the McCall trio, and Hugh Norman, received letters for helping our varsity to win the football championship.

Every Sunday we are rushed in getting our building in shape for visitors. Because when visitors come, they prefer our building to the others. So if anyone wants to visit any of the Quads, visit the Cannon building.

(Editor's Note: For fear the bragging in the preceding paragraph might cause hostilities among the four cottage groups of the quadrangle, it had better be explained that the apartment in Cannon is the only one not occupied by a private family. It is to give visitors a complete survey of a typical building that they are taken to Cannon Cottage.)

BABY COTTAGE
Second Floor

Hello Folks,

Here we are again after a month's absence.

We are all looking forward to seeing Santa come down our old chimney again with his sack full of toys.

Mary Frances Norris, Helen Barnes, Barbara and Louise Bradshaw, Linda Inman, Lilly Bryant and Janie Smith have had visits from their people. We have had lots of other visitors from different churches and wish more would visit us.

Since we wrote you last we have had two little new girls come to live with us. They are Marie and Elizabeth McNeil from Broadway, N. C.

Last week was Home-Coming and lots of our old girls and boys came home. In the afternoon we played Salisbury and we won, 19 to 0. Mr. and Mrs. Vernon Taylor and Mr. and Mrs. Robert Mills and family spent that week-end with us. We hope they will come again soon.

We want to thank Mr. and Mrs. Davis of Charlotte for the candy and peanuts they brought us. We also wish to thank Mr. O'Kelly for the pecans he sent us. We thank some good friends for the candy they brought us Saturday.

We want to thank Mr. Johnston for letting us go to the show to see "Down in San Diego."

The other Sunday, Lois Dellinger, Patsy Dean, Shirly Johnson, Linda Inman and Janie Smith went to Gastonia. They reported a grand time.

You'll hear from us again next month. —The Baby Girls.

SYNOD'S COTTAGE

Dear Friends,

More nice things have happened to us this month.

Some of the ladies of the Auxiliary from Mooresville who have adopted us for this church year, paid us a visit in November. They had a real party for us. Fruit, candy, cake, magazines, games, and to crown it all a used victrola that we can play records on ourselves. We enjoyed it all so much. Every little boy thinks his lady is the sweetest. We want to thank them again for all they have done for us.

Then just a few days ago, some ladies from the Earnest Workers' Sunday School in Reidsville sent us a box of cuddle toys to sleep with, elephants, rabbits, dogs, cats, etc. Miss Taylor let us choose which one we wanted. We are having such a good time with them, they are so nice and soft. Finally some ladies from Durham brought each one of us a paddle-ball.

Everybody seemed to try to make Thanksgiving nice for us.

We have a little new boy staying with us. We hope he likes to stay with us.

Well, we must close now.
—The Wigglers.

HOWARD COTTAGE

This is the W. F. K. station with you again.

We have lots of news for you this month.

Christmas is almost on the front porch and Santa is on the roof. We just can't wait until Christmas.

Some of the girls at Howard cottage got the show tickets. They are Ann Pope, Ernestine Baldwin, Gwendolyn Landrum, and Grace Morgan. They went to "Sun Valley Serenade." It was a real nice show.

At Home-Coming we had a decoration and the Howard girls won. For the prize we got a lot of games and we want to thank Mr. Johnston very, very much. We got some gold fish, too.

So long, folks, until next month.
—Annie Star Langley
Grace Morgan.

BABY COTTAGE
First Floor

Here it is time to write to you again.

We have had lots of visitors here lately. The Men's Bible Classes of Charlotte and of Belmont, and some visitors from Mooresville gave the children a shower of fruit and candy and grape juice. They held a meeting of their Circle. We were glad to see you all so come again some time.

Perry Williams and Johnnie Collins had visits from their people.

The boys invited the little girls to their Thanksgiving party.

All of us got our new suits and shoes last month. We went to town to have our new shoes fitted.

We all went to the show last month and sure did enjoy it.

We want to thank Mr. Hall for the treat of ice cream cones.

One of our little boys, Perry Williams, has gone home to stay and we surely do miss him. Mrs. Holton has left us also, and we miss her, too.

Jimmie Campbell is well now and back with us. Deryl Overcash is still sick but we hope he will be up soon.

Well it's not long 'til Santa Claus will be coming and we surely will be glad.

Be looking for us next month.
—The Baby Cottage Boys.

ANNIE LOUISE.

Hello Friends,

Mrs. Holton, who has been at Barium for about 27 years and who had been our matron, left us last Saturday and went to Winston-Salem to live with her son. We miss her very much. Now Miss Hardin is our new matron. She came over from Woman's Building.

Last month there were five girls in our cottage who received show tickets: Clara Mangum, Shirley Inman, Eloise Morris, Peggy Joyce Land and Jean Steppe.

Rebekah Williams, one of our girls, went home to live with her mother and father. Now we have twenty-nine little girls. We miss Rebekah and we hope she will come back to see us.

Mr. Joe Irwin, of Rutherfordton, came to see us Sunday. He is one of our very good friends.

Four girls went to Charlotte recently to give a program at the Second Presbyterian Church: Elmina Johnson, Ray Powell, Eloise Morris and Peggy Joyce Land.

We wish to thank the Durham ladies for the package of beads they brought each of us on a recent visit.

Also, many thanks to the Belmont ladies for the individual lovely bags of candy - all done up in paper of different colors. You do this every year and we never tire of thanking you. By the way, we don't get tired of eating candy and suckers, either!

Goodbye now.
Your little friends,
Annie Louise Girls.

JOHNSTON COTTAGE.

Hello Friends,

This is about the first time we have written some news; and we still haven't much to say.

We had a very successful football season this year, having lost no games and tying only one. We also won the South Piedmont Conference.

We had our football banquet Friday, December 5th. Football letters and awards were given, and we had a very good supper.

Paul "Admiral" Burney has the war situation figured out. It's wonderful how he does it. When he gets his spit-fires out, he can really "go to town".

We are all looking forward to Christmas and hope all of you have a fine time.

STULTZ COTTAGE

Here we are again with the last-minute news of what is happening at our cottage.

Football season is over and we have a good start off in basketball.

We have nine boys reporting for basketball in our cottage, two reporting for wrestling and only one for work this winter.

The following boys are reporting for basketball: Joe Ben Gibbs, Jack Weeks, William Billings, Joe Long, Ed Williamson, George Lewis, Gwyn Fletcher and Paul Horne. Billy Lindsay and Donald Bolton are reporting for wrestling, with Wadsworth reporting for farm work.

Several boys are also having girl trouble. Take some advice from Goon Lindsay and leave the girls alone.

Time is short and so is news, so until next time we'll be signing off. We'll be back in a flash with a flash.

INFIRMARY

Hello Folks,

Here we are again to bring you the high-light news of the Infirmary.

We have had lots to happen since the last news.

We had the following children to come to live with us: Buford and Willie Mae Robinson; Miriam, Ray, Earl and Richard Huddleston, and Woodie, Frankie and Boyce Dean Smith.

Football is over with our boys being the champs, and basketball is in full swing.

It is just about three more weeks until Christmas and we can hardly wait. We get out of school for the holidays the 19th of December and start back the 30th.

We have had Miss O'Kelly to come to live with us. We hope she will enjoy her stay at Barium as much as we do. She works at the Cannon building.

We haven't had many patients. We hope we won't since it is drawing near Christmas and we all want to be free for a while.

We will be signing off until next month, so be on the look out for us.

The "Nurses" and
The "Cooks."

WALLACE COTTAGE

Hello Folks,

Here we are again bringing you the news from the Wallace building.

Football has finished and it found us with a grand record of 10 wins, no losses and 1 tie. Basketball and wrestling have started and most boys from over here are going out.

Our new buildings are really warm these cold days and we are thankful that we are able to live in them.

Now for some news about the boys in our Quad: Wallace Twombly has finally won his girl back after a little competition from a certain boy over at quad one. Seems like romance runs in the Twombly family because Wallace's little brother, Roscoe, is hot on the heels of "glamour girl" Anna Turner. Good luck, Roscoe.

Ben Lewis has a swell time every night, Billy McCall comes over from quad four and he and Ben play Cowboy and Indian.

Since war has broken out don't be surprised if James "Ship" Shepherd has to enlist. They need good messengers, don't they James?

Bill Tyce is really a nimrod. He practically lives in the woods over the week-end, and that boy has an arm like Bob Feller. He can knock a bird off a limb at 20 paces.

Well, that's about all the news for this time. See you next month.

LEES' COTTAGE

Christmas is almost here and we are all looking forward to the holidays. It is always a happy time at Barium. Our friends are so good to us.

We have two new boys in our cottage. They are Ray and Earl Huddleston. They are very happy and we are glad to have them to live with us.

Jack Mangum went to Charlotte to visit his clothing friends last week-end. He reported a good time. J. D. Everett is going down to see his friends this week-end.

Mack Berryhill enjoyed a visit from Mr. and Mrs. J. R. Erwin of Charlotte on Tuesday.

Bobby Allen, Bill Price, and Edward Walker have gone to work on the orchard. They are very happy to be orchard boys.

Max Dellinger and Ray Clark went to the birthday dinner this month.

Johnny Meroney's grandmother sent us a box of delicious home-made cookies, and our good friends from Mooresville came and brought us cookies. They also brought little figures to make a Christmas scene. We appreciate all the nice things our friends do for us.

Bill Price has some rabbit hollows he is looking in every morning. We hope he will find a catch soon.

All of the boys in our cottage attended the football banquet on Friday evening. We had a good time.

We are always glad to have our friends visit our cottage. Won't you stop in to see us when you come to Barium?

We want to wish you all a happy Christmas.

Alumni News

ENGAGEMENTS.
Warner-Burt.

The Charlotte Observer of November 30th carried a picture of Miss Mildred Warner, of that city, accompanied by the announcement of her engagement to Mr. Alexander Worth Burt, also of Charlotte, the wedding to take place on January 17th. Miss Warner is a graduate of Barium in the Class of 1932.

We now know that Mrs. Dorothy Weeks Ward is Mrs. Yates Ward, of Gastonia. We mentioned in last month's Messenger that she was married, but we did not have any of the details. She promptly furnished them to us, and we confess that we ought to have seen the announcement in The Charlotte Observer, for it duly appeared in that paper and read, "Mr. and Mrs. R. S. Carter announce the marriage of their granddaughter, Dorothy V. Weeks, to Joseph Yates Ward on Sunday, July 6, 1941, York, South Carolina." Dorothy went on to say that she is now working as bookkeeper in the J. C. Rose Cotton Co., that her husband is working in the Gastonia Accessories Corporation, both firms in Gastonia, and that they live at 1011 W. Airline Avenue in that city.

Quite a few honors have come to former Barium boys in the athletic world. David Spencer was voted the most valuable player on Davidson's 1941 team, played in the all-star game between North and South Carolina at Greenville, and will play in the North-South game at Montgomery, Ala. the last of this month. Marley Sigmon has been made captain of the 1942 football team at Appalachian, he was invited to play in the Greenville, S. C. game, was a member of the All-Carolina smaller college teams and was also an all-stater on the Little Six in North Carolina. Arthur Roach was co-captain of the freshman team at Davidson this fall. Tilton Bundy, who spent a couple of years at Barium when he was the Synod's Cottage age, was quarterback of the N. C. State freshman team.

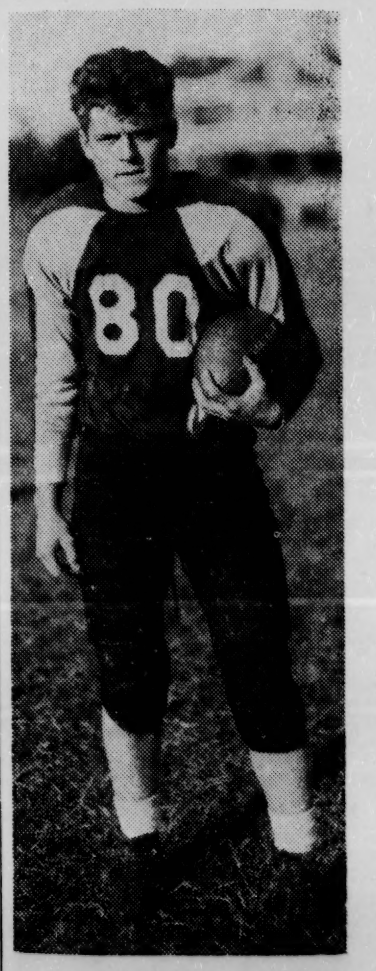
"What became of that portable garage of yours?"

"I tied the dog to it the other day and a cat came by."

Johnny: Do you suppose it is bad luck to have a cat follow you?

Bob: It all depends whether you are a man or a mouse.

Gwyn Fletcher of Barium Springs has the honor of having scored the most points in High School football in the state - having 141 points to his credit.



Officer: "Hey you, mark time!"
Conscript: "With my feet, sir?"
Officer: "Have you ever seen anything mark time with its hands?"
Conscript: "Clocks do, sir."

"What is the matter with your wife? She looks all broken up."
"She got a terrible shock."
"How was it?"
"She was assisting at a rummage sale at the church and she took off her new hat and somebody sold it for thirty cents."

A recent postcard from a truthful vacationist: "Having a wonderful time, wish I could afford it."

Postman's Wife: "Why, Pa, you look all tuckered out."
Postman: "I sure am. I've been all over town lookin' for a guy named 'Fragile'."

Review of the 1941 Football

(Continued From Page One)

of the best backfield men in the whole state, but to our amazement we defeated this team 47-0! We thought surely that Morganton was weak, and yet, after playing us they went ahead with an undefeated season, again winning the championship of their conference and defeating a strong South Carolina team in addition.

The week after we played Morganton, we went to Charlotte to play what we thought was a very strong team, and the game ended in a scoreless tie. As it turned out Charlotte was not near as potent as Morganton, and we played good ball, but somehow all of our touchdown efforts seemed to be thwarted. We carried the ball much further than Charlotte did and all of the statistics of the game were in our favor, but it remained a scoreless tie. As we look back on the season now, that was probably the best game that Charlotte put up all season. Their coaches think so. This game was played on Saturday night, the 27th.

Just six days later we took on Mills Home at Thomasvlle. This was the only sluggish game our boys played all year. We defeated Mills Home 13-0, but for a time it looked like that would be another tie game. Hugh Norman, the captain, made both touchdowns in that game - the first one was a pass from Fletcher and the other one from scrimmage.

After the Mills Home game we entertained Spencer at Barium. Spencer was a team that looked mighty good a year ago - so good, in fact, that they landed in the first division of the South Piedmont teams and that meant that they had to play the other teams in that division. They had one boy who had made quite a reputation - they called him Old 97, but somehow or other he failed to roll in this particular game, and the final score was 57-0 in favor of Barium.

On October 10th we took on our traditional rivals, the Children's Home. This is a team that has ruled the roost in this neck-of-the-woods for quite some years. Barium defeated them last year for the first time in about seven years. This year for the whole first half our team was nervous and fumbled a good deal, and while they looked superior to the Children's Home boys, they couldn't get the ball across to pay dirt! They tore loose in the second half, however, scoring three touchdowns and winning 21-0. Children's Home still remains one of the stronger teams of the Conference - plays all the tough teams and doesn't stand as high in the final analysis as some of the others that play weaker teams.

On October 24th our team went to Gastonia to wind up the series with that big team. We have been playing Gastonia for a number of years, but the Gastonia officials think they should concentrate more on Class A games, so this was our final with them. They have a new coach and some mighty good players, but there was no question to the superior team that night. Barium defeated Gastonia 21-0.

The following week at Albemarle Barium played her closest game. The Albemarle team had just defeated Statesville 31-0. They really counted on taking our game. At one time the score was 7-6 in Barium's favor and following that, it looked like Albemarle was going to score again, but the final score was Barium 14, Albemarle 6. Their score was the first made against Barium this season. Both teams played magnificent ball.

Barium entertained our old friend Hickory in a game at Barium on November 7th. Hickory has a new squad - big fine-looking boys, but not quite as experienced as is usually the case with that fine school. Hickory also scored on Barium and it's a wonder they didn't score more on the splendid pass attack they had. The final score was Barium 38, Hickory 6. We were afraid that in this game the team would be pointing too much for Lexington the following week and might let Hickory slip up on them, but this was not the case.

The week following the Hickory game we entertained Lexington here and there was no question but that Barium reached her peak that day! Lexington was the only team that defeated Barium in 1940, and Lexington was one of the strongest teams that was on our schedule this year, but our boys were evidently determined to take this one and went into that game in such fine mental and physical shape that the outcome of the game was a foregone conclusion from the start. Our team marched down the field from the initial kick-off to score and the final score was 26-0.

After this big game it would have been perfectly natural for Barium to have had a let-down, but they couldn't afford to let down because Salisbury was the next opponent and that was Home-Coming day. Salisbury had just defeated Greensboro, one of the strongest teams of the State. They had also defeated Statesville 40-0, so it looked like we were in for trouble. Salisbury stopped our running game about as completely as any team we played, but they couldn't stop that and the passing attack both and the final result was Barium 19, Salisbury 0.

There was an interesting thing about our game with Albemarle, Lexington and Salisbury. Statesville played each one of these teams about a week before we did. Albemarle beat them 31-0, so our neighbors told us that we wouldn't have a chance with Albemarle. We beat Albemarle 14-6. Then the Lexington game came along and Lexington had just defeated Statesville 51-0. It looked like they would certainly take us, and while we were playing Lexington, Statesville was playing Salisbury, and being defeated 40-0 there. They acted as a sort of forerunner for our games, which may have something to do with our boys being keyed up to the proper pitch to settle those games.

In the final game of the season we played Statesville at Statesville. It was the first time in a number of years. Statesville held us scoreless through the first quarter, largely due to fumbles on the part of the Barium boys. In the second quarter, however, we scored two touchdowns, and then in the third and fourth quarters broke loose. One if the prettiert plays in the game was the first play from scrimmage in the second half, when Norman ran 65 yards for a touchdown! Fletcher came along with another just as pretty. Little Gibbs was showing his heels to one and all. Billings scored a beautiful touchdown on the same play that Steve Lach used so many times on the Duke team. And then to cap it all Dick Parrish scored his first and last touchdown for Barium - he intercepted a pass and traveled about 63 yards for a score.

Summing up the whole business, we find that Fletcher scored a total of 141 points, and threw nine touchdown passes in addition. Norman scored 88, Gibbs 24, Williamson 18, Lewis 7, Weeks 6, Ingram 6, Parrish 6, for a total of something over 300 points. Fletcher has been the unanimous choice for All-State on everybody's selection. He was also unanimous choice for All-Conference, with Parrish and Bolton also making the All-Conference.

Now, for the midgets: We get out three teams, 125, 100, 85-pounds. Quite often they have to play teams that are not organized according to weights, B-teams, C-teams, etc, and grammar-grade teams, too. One time our 85-pound team went up against a grammar school team that had men on it heavier than some of our varsity players; still those youngsters gave a good account of themselves. The 125-pound team played twelve games, losing one to Morganton, one to Victory (Gastonia), one to Piedmont (Charlotte), and in each of these games there was evidently quite a difference in weight. However, our boys had had more experience and the games were close and interesting to watch. The second Morganton game, the Kannapolis game and the Jackson Training School games were all most interesting. Jack Weeks, a Senior, was one of the best performers on this team and the games he played in were usually on a par with a good many high school games. He did not play in all, however. This is the team that will furnish most of our talent for 1942.

The 100-pound team played nine games, losing three, tying one. Two of the engagements that they lost were to the Children's Home and this is the year when that school has a team which compares with the team we had several years ago when Miller Blue and Company formed our 100-pound squad. By the way, most of that 100-pound team played on our varsity this year: Joe Ben Gibbs, Hugh Norman, Don Bolton, Fletcher, Parrish, Beshears, Davis, Jack and Tom McCall. The Oxford Orphanage game, which ended 6-6, was a very interesting game. The game was played in Greensboro and ended up with a big dinner, furnished by our good friend Bill Preyer. This dinner is just about as important as playing the game. Milton Gaskill, an old Barium boy who is one of the teachers at Lexington, is getting out a midget team, and we played one game with him. We are looking forward to many other encounters with his team.

The 85-pounders managed to win two and tie one, while losing four. They lost to Children's Home, who were just too strong for them. They lost one to Morganton and one to Salisbury. These were the games in which they were very much outweighed, but made a good game of it nevertheless.

We wonder when we will again have such a fine varsity team. Well, if you would watch the 85, 100 and 125-pounders play ball, you wouldn't worry too much. We won't have as good a team next year, but we will enjoy seeing them play just as much, and who knows but in a year or two we will be back with the championship?

Ernest Milton, Treasurer,
Presbyterian Orphans' Home,
Barium Springs, N. C.

Dear Mr. Milton:

Enclosed is my check for $_____ a personal Thanksgiving Offering to the Home.

Footballers Honored At

(Continued From Page One)

Paul Burney, Leland Rogers, Cecil Shepherd, Bill Tyce, Hervey Stricklin, John Hawley, Amos Hardy, Walter Zeigler, Clifton Barefoot, Raymond Good, Pleas Norman, Charles Hooten, Paul Reid, James Shepherd, Clifford Barefoot, Marshall Norris.

The varsity letters were presented by Jim Johnston, who was also a member of that famous national champion team, afterwards playing on Davidson's team, being mentioned in the 1936 Grantland Rice All-American. In presenting the letters, he likened the precision with which Barium's team operated to the precision being taught the various Army units in their maneuvers in the Carolinas and elsewhere. The letters were presented to the following: William Billings, Lacy Beshears, David Burney, Gwyn Fletcher, Joe Ben Gibbs, Grover Ingram, Ernest Stricklin, Ben Lewis, George Lewis, Jack McCall, Tom McCall, Ed Williamson, Donald Bolton, Hugh Norman, Dixon Parrish, William Wadsworth, Mott Price, Jack Weeks, William Lindsey, Wootsen Davis, Billy McCall.

There were many Barium alumni present. Some whose names made headlines just a few years age. Their loyalty to Barium and their presence at the celebration are the things that keeps the spark alive in the younger generation, which accounts for Barium's winning teams.

Tribute was paid to the coaches, cheering sections and the working staff at Barium, as well as to the players themselves. Cooperation on the part of all made the 1941 football season at Barium one long to be remembered.

Alumni Association Elected

(Continued From Page One)

Salem, president.

The alumni voted to have the 1942 fall home-coming in October instead of November. While no motion was made to the effect, yet the consensus was that the innovation of a summer-time home-coming this year should be continued in the future.

Joseph B. Johnston, superintendent of the home, offered Camp Fellowship on the Catawba river to the Alumni association for an entire week if a sufficient number desired to avail themselves of those facilities for a week's vacation.

A preliminary total of $153.35 as the 1941 Thanksgiving offering of the association was announced, with the statement that more was to follow. Many of the alumni make their Thanksgiving offerings through local churches with which they are affiliated. (Note: The Thanksgiving response finally totaled $192.85.)

Climaxing the day's festivities was a 19-0 victory of the Barium Springs football team over Salisbury High to continue the undefeated record of the local gridsters for 1941. Alumni were impressed by the preformance of their younger brothers.

Alumni were here from this State, South Carolina, Virginia and the District of Columbia.

First Thanksgiving Reports

(Continued From Page One)

between the responses of the two years.

The principal item of news about the table of receipts in December is that Synod continues to show a gain in regular giving. This was $2,015.56 ahead of last November's total at the two-third point of 1940-1941. And, from the way the regular amounts were arriving in early December it seems likely that there might be another slight increase for the current month. That will be known later. A comprehensive idea of the final Thanksgiving Offering will be mentioned next month.

Of the regular receipts of $25,-341.63, 46.6% of the total, or $11,-821.86, had arrived from Sunday Schools; the Church budgets were responsible for $8,533.12, or 33.7%, and the Auxiliaries had sent 19.-7%, or $4,986.65. Here is the detail on the regular donations:

	Ch.	S. S.	Aux.

Steno: So you refused him when he said he'd make you the happiest girl in 48 states?

Steno: I'll say. I don't choose to spend my life in a trailer.

Teacher: What makes the best leather for shoes?

Pupil: I can't think, but banana peel makes the best slippers.

Helen: Did Nellie reject Johnny when he proposed?

Mildred: No, she put him in Class 5—to be drawn on only as a last resort.
